Need to Know!

Arrival: Approx. 07:30am (Ships Time)

All Aboard: 03:30pm (Ships Time)

We know you're eager and excited to start exploring in port – we are too! However, please wait until we announce that the gangways are open before heading that way. We promise to disembark you as soon as we can!

Important Time Notification

Please note that while we are in Puerto Vallarta, Royal Princess will remain on Ships time. Ships time is one hour behind Puerto Vallarta's local time. Before disembarking, we kindly ask all guests to **synchronize your watches and phones to Ship's Time and ensure that auto-updates are switched off on your personal devices.** The All Aboard Time is 3:30pm.

Beach Towels

If you are heading to the beach, do not forget to take your beach towel from the pool deck, deck 16 and deck 17 midship but please remember to bring it back onboard. Thank you for your cooperation.

Safety Guidelines While Ashore

- Please bring your Ocean Medallion™ and a Government-issued Photo ID with you.
- Stay in the normal tourist areas and don't travel to out of the way places without a reputable guided tour.
- Always travel with a companion.
- Do not leave any of your belongings unattended in public areas.
- Be generally aware of people and activities around you.
- Do not accept packages from anyone you don't know personally.
- Dress down conservatively and minimize the amount of jewelry you wear.
- Be careful in choosing places to eat and drink ashore.
- Please do not keep wallets in your back pockets and keep handbags zipped and close to you.

Important Notice: Air Conditioning

Please keep **balcony and external doors closed** except when transiting through. Open doors disable your stateroom's AC and negatively impact the temperature control throughout the ship. Your cooperation is essential for maintaining comfortable temperatures for all guests.

Credit/Debit Card Holds

Holds are placed on your credit or debit card throughout the vacation period to guarantee that funds are available. Your bank does not actually release any funds to us. At the end of the trip, your onboard spending will be paid in a single transaction, and the holds will be released. The amount of time these holds remain on your credit or debit account varies per bank. Most banks transfer payments within 5 to 7 business days; but, when using a debit card, pre-authorization holds may remain on your account for longer; consequently, we recommend using a credit card whenever feasible.
